Subpart C—How Does a State Apply for a Grant?

§ 370.20 What must be included in a request for a grant?

(a) Each State seeking assistance under this part shall submit to the Secretary, in writing, each fiscal year, an application that includes, at a minimum—

(1) The name of the designated agency; and

(2) An assurance that the designated agency meets the independence requirement of section 112(c)(1)(A) of the Act and § 370.2(c), or that the State is exempted from that requirement under section 112(c)(1)(A) of the Act and § 370.2(d).

(b)(1) Each State also shall submit to the Secretary an assurance that the designated agency has the authority to pursue legal, administrative, and other appropriate remedies to ensure the protection of the rights of clients or client applicants within the State.

(2) The authority to pursue remedies described in paragraph (b)(1) of this

section must include the authority to pursue those remedies against the State vocational rehabilitation agency and other appropriate State agencies. The designated agency meets this requirement if it has the authority to pursue those remedies either on its own behalf or by obtaining necessary services, such as legal representation, from outside sources.

(c) Each State also shall submit to the Secretary assurances that—

(1) All entities conducting, administering, operating, or carrying out programs within the State that provide services under the Act to individuals with disabilities in the State will advise all clients and client applicants of the existence of the CAP, the services provided under the program, and how to contact the designated agency;

(2) The designated agency will meet each of the requirements in this part; and

(3) The designated agency will provide the Secretary with the annual report required by section 112(g)(4) of the Act and § 370.44.

(d) To allow a designated agency to receive direct payment of funds under this part, a State must provide to the Secretary, as part of its application for assistance, an assurance that direct payment to the designated agency is not prohibited by or inconsistent with State law, regulation, or policy.

Subpart D—How Does the Secretary Allocate and Reallocate Funds to a State?

§ 370.30 How does the Secretary allocate funds?

(a) The Secretary allocates the funds available under this part for any fiscal year to the States on the basis of the relative population of each State. The Secretary allocates at least \$50,000 to each State, unless the provisions of section 112(e)(1)(D) of the Act (which provides for increasing the minimum allotment if the appropriation for the

§ 370.31

CAP exceeds \$7,500,000 or the appropriation is increased by a certain percentage described in section 112(e)(1)(D)(ii) of the Act) are applicable.

(b) The Secretary allocates \$30,000 each, unless the provisions of section 112(e)(1)(D) of the Act are applicable, to American Samoa, Guam, the Virgin Islands, the Northern Mariana Islands, and the Republic of Palau, except that the Secretary allocates to the Republic of Palau only 75 percent of this allotment in fiscal year 1996, only 50 percent of this allotment in fiscal year 1997, only 25 percent of this allotment in fiscal year 1998, and none of this allotment in fiscal year 1999 and thereafter.

(c) Unless prohibited or otherwise provided by State law, regulation, or policy, the Secretary pays to the designated agency, from the State allotment under paragraph (a) or (b) of this section, the amount specified in the State's approved request. Because the designated agency is the eventual, if not the direct, recipient of the CAP funds, 34 CFR parts 74 and 81 apply to the designated agency, whether or not the designated agency is the actual recipient of the CAP grant. However, because it is the State that submits an application for and receives the CAP grant, the State remains the grantee for purposes of 34 CFR parts 76 and 80. In addition, both the State and the designated agency are considered recipients for purposes of 34 CFR part 81.

§ 370.31 How does the Secretary reallocate funds?

(a) The Secretary reallocates funds in accordance with section 112(e)(2) of the Act.

(b) A designated agency shall inform the Secretary at least 90 days before the end of the fiscal year for which CAP funds were received whether the designated agency is making available for reallocation any of those CAP funds that it will be unable to obligate in that fiscal year.

§ 370.40 What are allowable costs?

(a) If the designated agency is a State or local government agency, the designated agency shall apply the cost principles in accordance with 34 CFR 80.22(b).

(b) If the designated agency is a private nonprofit organization, the designated agency shall apply the cost principles in accordance with subpart Q of 34 CFR part 74.

(c) In addition to those allowable costs established in EDGAR, and consistent with the program activities listed in § 370.4, the cost of travel in connection with the provision to a client or client applicant of assistance under this program is allowable. The cost of travel includes the cost of travel for an attendant if the attendant must accompany the client or client applicant.

(d) The State and the designated agency are accountable, both jointly and severally, to the Secretary for the proper use of funds made available under this part. However, the Secretary may choose to recover funds under the procedures in 34 CFR part 81 from either the State or the designated agency, or both, depending on the circumstances of each case.

(Authority: 29 U.S.C. 711(c) and 732(c)(3))

§ 370.41 What conflict of interest provision applies to employees of a designated agency?

(a) Except as permitted by paragraph (b) of this section, an employee of a designated agency, of a center under contract with a designated agency (as permitted by § 370.2(f)), or of an entity or individual under contract with a designated agency, who carries out any CAP duties or responsibilities, while so employed, may not—

(1) Serve concurrently as a staff member of, consultant to, or in any other capacity within, any other rehabilitation project, program, or community rehabilitation program receiving assistance under the Act in the State; or
